Passionate filmmaker with talents and techniques developed and refined by working on a number of projects. Skilled at coming up with solutions for production-related problems and helping it continue as smoothly as possible. Committed to meeting company needs with organized and consistent practices. Skilled in working under pressure and adapting to new situations and challenges

Experience

● Internship - Bionic Films (Karachi, Pakistan)

July 2022 - August 2022

- Sorted and organized files, spreadsheets, and reports.
- Completed research, compiled data, and produced timely reports.
- Prepared project presentations and reports to assist senior staff.
- Helped out and observed professional commercial-production sets

● Internship - Kiss International Media (Kitchener, ON)

February 2024 - April 2024

- Supported staff members in their daily tasks, reducing workload burden and allowing for increased focus on higher-priority assignments.
- Gained valuable experience working within the industry, applying learned concepts directly into relevant work situations.
- Gained hands-on experience in various software programs
- Gained on-set experience as a Production Assistant

● Internship - SeeMe Productions (Karachi, Pakistan)

November 2024 - May 2025

- Shadow and help line producers and associate producers in post production tasks like making treatments, script breakdowns, reviewing talent, and making presentations for the clients.
- Worked as PA on sets, and acted as the bridge in communication between the foreigner director team and the production crew. Also acted as the AD's assistant, being tasked with fetching talent, communicating needs to extras and making sure they're on their marks, and marking down shot numbers.
- Gained experience working with high-profile celebrity talent
- Gained experience with big budget productions for multinational clients i.e. Coca Cola, GSK, Pepsi Co.

● Independent Filmmaker / Screenwriter

June 2025 - May 2026

- Wrote original short-form scripts, developing narrative structure, character arcs, and dialogue across multiple drafts
- Planned and executed shoots, including location sourcing, shot listing, scheduling, and basic production logistics
- Directed performances and managed on-set workflow to ensure coverage and continuity
- Assembled and edited footage into complete sequences, managing pacing, continuity, and sound integration
- Coordinated all stages of production independently, from concept development through final delivery

Skills

- Creative writing
- Critical Thinking
- Teamwork and Collaboration
- Creativity and Innovation
- Problem-Solving
- Adobe Photoshop, Illustrator, InDesign, Premiere, After Effects, and Audition
- Sound editing on Audacity
- DaVinci Resolve
- Basic Cinema 4D
